Admission Arrangements

1. All applications will be considered at the same time and after the closing date (detailed on the preceding page) agreed by the Admissions Committee.

5. Please note applications received after the closing date may not be considered.

Notes

1. For a child to be considered as a Catholic, evidence of a Catholic Baptism or reception into the Church will be required.

A Baptised Catholic is one who has been baptised into full communion with the Catholic Church by the Rites of baptism of one of the various ritual Churches in communion with the See of Rome (Cf. Catechism of the Catholic Church 1203). Written evidence of this baptism can be obtained by recourse to the baptismal Registers of the church in which the baptism took place.

Or

A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases a sub-section of the Baptismal registers of the church in which the Rite of Reception took place.

The Governing Body will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of "Baptised Catholics". A Certificate of Baptism or Reception is to include: full name, date of birth, date of baptism or reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of baptism or reception.

Those who would have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to their parish priest, who after consulting with the Vicar General, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of baptism due to persecution or fear, the destruction of the church and the original records, or where baptism was administered validly but not in the Parish church where records are kept.

Governors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)

2. The Governing Body reserve the right to admit children with proven and exceptional medical and social needs where admission to the school might best help satisfy those exceptional needs, providing that such application is submitted with appropriate evidence or reports from a doctor or social worker.
3. The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required – eg. child benefit payment address.
4. Where care is split equally between mother and father, parents must name which address is to be used for the purpose of allocating a school place.
5. Late applications (those received after the closing date) will only be considered alongside those received by the closing date under the following circumstances:
 - the family were unable to complete an application form before the closing date because they moved into the school's parish area after the issue of application forms OR
 - the family were unable to conform with admissions timetable because of exceptional circumstances which prevented the applications arriving on time – the circumstances must be given in writing and attached to the application form.

Parents must complete the Local Authority application form. Parents who wish their application to this Catholic school to be considered against the priority faith criteria should also complete the supplementary form. If the school is oversubscribed, failure to complete the supplementary form may result in your application for a place in this school being considered against lower priority criteria, as the Governing Body will have no information upon which to assess the application, on the basis of the applicant's baptism and/or membership of a faith community.

PARENTS MUST COMPLETE THE LOCAL AUTHORITY COMMON APPLICATION FORM AND SHOULD COMPLETE THE SCHOOL SUPPLEMENTARY FORM.
